Menzone

Interesting speakers

For men of all ages

Menzone

Menzone is for men of all ages, and provides the opportunity to listen to interesting speakers from different walks of life. It is held four times a year in the rear hall of the church. It is an informal time and there are always opportunities for questions at the end. Refreshments are served upon arrival.

Christianity Explored

We run a 7 week Christianity Explored course to help people understand what Christianity is really all about. It is informal and provides the opportunity to ask questions. We don't ask people to sing or pray out loud, and we try to make them feel as relaxed as possible. Whilst we present Jesus Christ and encourage people to follow Him, there is no pressure to do so.

Small Group Bible Studies

Small group Bible studies are held during the week so we can meet informally for fellowship, interactive Bible study and prayer. We meet in four groups, either at the church or in people's homes. Each group has a gifted leader and we all work through the same material.
